

WEDDING INVESTMENT 2021 PRICE

We are consistently searching for those beautiful candid moments and letting the day play out uninterrupted, allowing our documentary style of shooting to capture everything. We will, of course, capture the must-have family photos. The majority of our images will be of the unplanned, imperfectly perfect moments that will naturally happen throughout the day and night.

WHAT YOU GET

- 8 hours of coverage
- 600+ high-res images
- Digital online gallery
- 1hr engagement session
- 6-8 week delivery of final images

\$3200
